

## Conferences that Transform Marriages

### *Is your marriage ready for the storms of life?*

Now more than ever you need to focus on growing your marriage and establishing a vision for what could be and should be. When you grow your marriage, the capacity to influence family, friends, business relationships, co-workers and even complete strangers, multiplies.

Ready or not your marriage will face hard times. Life's challenges often arrive without warning. You can't track them on radar and know the precise time of their arrival. But you can prepare by building a strong foundation to keep your marriage standing when unexpected struggles arrive.

You can't have a healthy marriage without making significant investments of time, energy and resources. If you want to make a difference within your marriage and leave a strong legacy for future generations, grow your marriage.

### *What is the Marriage Catalyst Conference?*

Marriage Catalyst Conference is a 2-day marriage intensive designed to transform your marriage. It energizes those who need a relational tune up and provides strength for those who are facing significant challenges within their marriage.

This dynamic environment will provide you and your spouse with practical tools to realize the dream for your marriage, connect deeper with one another and make adjustments to build a lasting relationship filled with purpose, laughter and hope.

Marriage Catalyst Conference follows a three-fold plan to help you marriage experience relational transformation: Dream, Connect and Build.

### *Dream*

#### *Cast a big vision for a growing marriage*

- Establish a strong foundation
- Understand the purpose for your marriage
- Leverage your unique shape as a couple

### *Connect*

#### *Learn principles for effective communication*

- Understand what your mate really means
- Master the "Rules for Engagement"
- Create the right atmosphere for love
- Learn the "Keys to Incredible Sex"

### *Build*

#### *Grow your marriage on purpose*

- Learn to make "Together Decisions"
- Position your marriage for generosity
- Find real satisfaction
- Discover the *Keys to a Successful Marriage*

### *What makes the conference "different?"*

Marriage Catalyst Conference brings together proven marriage experts and speakers to inspire, equip and transform couples. We provide participants with practical tools for immediate application.

### *How will my spouse and I benefit?*

The conference will provide a relaxed environment filled with learning, laughter and hope. We truly believe the Marriage Catalyst Conference will help you laugh a little more, increase your knowledge of God's Word and provide a strong foundation for your marriage to thrive. It will help you make the right changes within your marriage for growth.
